## FEDERAL BUREAU OF INVESTIGATION

Date of transcription

8/23/92

The following investigation was conducted on August 22, 1992. At approximately 6:20 pm, two Armored Personnel Carriers (APCs) left the Command Post (CP) for the subject's residence to deliver a negotiation telephone.

Enroute to the subject's residence, APC 1 encountered a stakebed truck blocking the road. APC 1 made the decision to bypass the blocking vehicle by going around it on the right. At approximately 6:45 pm, APC 1 encountered an additional obstruction in the road. The obstruction consisted of 1 1/2 inch cable connected, at approximately 2-3 feet high, from several trees on the left side of the road through a trailer containing a 55 gallon drum back to a 3 1/2 foot section of steel I-beam. The I-beam was mounted to a wheel rim and several large rocks by poured concrete and the rim was buried in the ground. At approximately 6:50 pm, Charlie Team dismounted APC 1, provided security and physically removed the obstacle. APC 1 then bypassed this obstacle and continued to the subject's house.

b6  
b7C

APC 1 arrived at the subject's residence at approximately 6:54 pm, at which time APC 1 stopped within close proximity of the subject's home. SSA [redacted] using an external PA system, informed subject that a negotiation telephone would be left behind.

At approximately 6:57 pm, APC 1 turned around, dropped the negotiations telephone from the rear door of the APC, approximately 25 yards from the subject's residence, and began the return to the CP, while feeding telephone wire out the rear door. APC 2 preceded APC 1 back to the CP.

At approximately 7:16 pm, Charlie Team dismounted APC 1 and began walking the wire off-road to shorten the route. This was done due to the fact there was not enough telephone wire to reach from the subject's house to the CP.

At approximately 7:37 pm, APC 1 returned to the CP.

[redacted] He explained that [redacted] and [redacted] reside in [redacted] and [redacted] however, he declined to provide their addresses. [redacted] stated that the [redacted] and [redacted] prefer not to be interviewed directly, but, rather, through him.

It was explained to [redacted] that if the [redacted] and [redacted] agreed to tape a message to RANDALL and his family, such a message could be played with the hope that it might encourage dialogue between RANDALL and negotiators in order to bring about a peaceful resolution to the impasse. [redacted] agreed to bring the [redacted] and [redacted] to his office explain this offer to them.

Approximately two hours later, 3:00 p.m. (PDT), [redacted] was recontacted at which time he said that he had discussed the offer with the [redacted] and [redacted] but, because they believe RANDALL would distrust [redacted] that cooperated with Federal authorities in making a prepared taped statement, they preferred not to do so at this time.

b6  
b7C

[redacted] relayed a request by the [redacted] that they be allowed to talk directly to RANDALL and his family via telephone. It was explained that this was not possible at the present time but their offer would be considered and, if it was later accepted, he would be notified.

Likewise, [redacted] said that if the [redacted] changed their minds and decided to tape a message he would notify the FBI.

b6  
b7C

[redacted] added that the [redacted] have informed him that, knowing RANDALL and his distrust of Federal Officials as well as friends who have recently betrayed him, RANDALL would consider a taped message just another play.

[redacted] was telephonically contacted at telephone number [redacted] where he furnished the following information:

b6  
b7C

[redacted] advised that during his contact with RANDALL WEAVER on Saturday, August 29, 1992, WEAVER advised him that his wife, VICKI WEAVER, was dead and gave the following account of the shootings which occurred on August 21 and August 22, 1992.

On Friday, August 21, 1992, the family dog alerted to something on the property which was assumed by WEAVER to be a deer. The dog took off in the direction of what he was barking at. SAMMY WEAVER, who had a 30-06 rifle, followed the dog who was followed by [redacted] carrying a mini 14 rifle. He (WEAVER) had a shotgun. After following the dog down the hill SAMMY yelled "you killed my dog" and at that time SAMMY fired in the direction of the U.S. MARSHALS. Immediately after that SAMMY said "oh shit" and was apparently shot in the arm and turned around to run up the hill when he was shot in the back.

[redacted] stated that he fired his rifle in the direction of the people that were shooting at them. In order to draw fire away from [redacted] and SAMMY WEAVER, WEAVER advised that he fired his shotgun in the air, but could not fire a second round because the shotgun jammed. He had a 9mm pistol also with him which he fired several more shots in the air. After [redacted] and WEAVER got to the house area VICKI insisted that they go down and get SAMMY's body from the logging path. This was no more than 15 minutes after the initial gun fire. At that time, [redacted] and WEAVER went down and picked up SAMMY's body and brought it back up the logging path and placed it in the birthing shed. Nothing else happened that day and no additional shots were fired.

b6

On Saturday, August 22, 1992, two other dogs owned by WEAVER which were tied up in the front yard began barking and WEAVER, [redacted] and [redacted] went outside to inspect what the

Dear [REDACTED]

+ family

Just in case we never see each other again, I want you to know that we all love you more than you'll ever realize. You always treated me as family, better than most, and I so very much appreciate that. The twenty years Vicki and I have been together could in no way ever be replaced in a happier way. Besides being the prettiest, your daughter and sister was the brightest, hardest working, most loving wife and mother.

Vicki's number one love was Yahweh's truth. She was ever searching for more and was exactly like Jesus. This respect.

I said the kids shed many tears for them both because we miss having them with us, but

b6  
b7c

we also thank Yahweh so much for being merciful in their instant deaths and rewarding them with their strongest yearning, being with their creator and Messiah, YAH YAHUWA.

I realize that you all ~~people~~ have never understood where we are coming from spiritually and/or politically speaking, but you must try to perceive this one point. These agents of the New World Order have made martyrs out of Vicki and Gary in front of the eyes of Yahweh & all of his specially conscious, happy children all around the entire world.

These animals say that they want to settle this thing peacefully. Don't you ever believe it. Wake up! They don't even point a gun at anyone in my entire life. Rather, as Vicki, these days are gone.

Snipers are used to kill people  
when they're not even looking.  
I don't sound too peaceful to me.

These guys have every type of  
weapon made available to them.  
And they want to tell us that

we can't own or make a sawed off  
shotgun. What the hell do they  
think they are? The patriots of

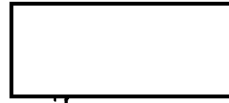

Congress are with Vicki & Sam.

I know that Sam is having  
a ball talking to the martyrs  
from history. Was a government  
begin to usurp its authority,  
anyone who loves liberty must  
fight to regain the liberties lost.  
Usually a minority does the fighting,  
but the majority benefits. It's  
well worth the risk.

We are fighting the lawless,  
and with God's help, we can't  
lose. We are in a win-win  
situation.

The girls are all doing great  
considering the situation.

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 9/8/92

SAC ROBIN MONTGOMERY, Portland Division, Federal Bureau of Investigation, telephonically advised as follows:

During negotiations with RANDALL WEAVER in Naples, Idaho, on 8/30/92, it was believed that [redacted] an occupant of the WEAVER residence was injured seriously from a gunshot wound suffered on or about 8/22/92. In an attempt to get [redacted] out of the residence, a note was prepared by SAC MONTGOMERY addressed to WEAVER requesting that [redacted] come out unarmed. A copy of this handwritten note is attached hereto as Exhibit 1.

b6  
b7C

SAC MONTGOMERY explained that this handwritten note was prepared in typed form and the typewritten note was sent in to WEAVER via [redacted], who was acting as intermediary at the time. [redacted] returned to say that WEAVER wanted something more specific so SAC MONTGOMERY prepared a handwritten addendum to the typewritten note, written at the bottom of the typewritten note, stating that if [redacted] came out unarmed "we will withdraw." A copy of the typewritten note and the handwritten addendum, both dated 8/30/92, are attached as Exhibit 2.

b6  
b7C

SAC MONTGOMERY stated that the phrase, "we will withdraw", referred to the withdrawal of the Armored Personnel Carrier (APC) which was within sight of the WEAVER residence. In fact, the APC was withdrawn as a result of this promise.

SAC MONTGOMERY further stated that a handwritten note addressed to GENE GLENN (SAC EUGENE GLENN, Salt Lake City Division, Federal Bureau of Investigation), dated 8/31/92, and signed by RANDALL, [redacted] was sent out via [redacted] on 8/31/92. A copy of this note is attached as Exhibit 3. According to SAC MONTGOMERY, a response to this note was prepared and signed by SAC GLENN and sent back in via [redacted]. A copy of the response is attached hereto as Exhibit 4.

b6  
b7C

SAC MONTGOMERY stated that a note prepared by AUSA [redacted] was given to [redacted] to take in to the WEAVER's but

whether [ ] delivered it or not was not known. [ ] did not return the note to SAC MONTGOMERY or any other FBI personnel as far as he is aware. SAC MONTGOMERY advised that no other notes were prepared and passed to the WEAVER's or [ ] nor did any other notes come from the WEAVER's or [ ] addressed to negotiators.

It should be noted that the copies of Exhibits 2 and 4 were made from the originals which were located in the WEAVER residence on 8/31/92 during a search. They were identified by SAC MONTGOMERY by reading the text of the messages to him.
